Dear Dr. Rajya Lakshmi,

Greetings from Srinivas.

It was indeed a pleasure to meet you last month at your location.

As discussed, we will work on collaboration and supporting both the Organizations in the following areas.

1. Joint Technology Collaboration and innovation of the Products that can combine Autonomous Vehicles with Position & Precession Technologies.
2. Working on multiple state and Central Agencies and solving some of their most critical problems.
3. Working on Startups jointly.

Regards,

Sri CEO
