Subject: Re: Request for Panelists for NSF-TIH Prep Meeting for Kick-off Workshop for NSF-India Collaborative Research

Dea All:

As I understood, the local organizers are making a deal with couple of hotels and they will arrange transport to these hotels to attend the meeting. I was expecting the list of such hotels.

Is my understanding correct? Or I should ask the PIs to book hotels independently?

Thank you for your support.

REMINDER:

There will be a series of five panels at the Kick-off Workshop for NSF-India Collaborative Research on August 8-9. We are asking each project to nominate one panelist (either the U.S. or Indian PI) to participate on the panel. Please ask the India PIs to coordinate with their US PI partners for this nomination (the US PIs are also being notified), and let Ashutosh and Susha at IHFC and NSF (Cate and me) know by **July 22**.

Thank you,
Bridget
