

Ratanesh Srivastava, COO

Ratanesh is an alumnus of Indian Institute of Management (IIM) Ahmedabad and National Institute of Technology (NIT) Warangal. He has over 20 years of experience in establishing technology practices, managing large delivery portfolios, driving consulting engagements and defining strategies and business models. Before joining TIH, Ratanesh was leading the pre-sales and delivery team for digital services offerings for Europe & Middle East, at Tech Mahindra. The offerings included consultancy and implementation services for digital transformation, smart cities and IoT solutions. He has worked with leading IT organizations like TCS, Nokia, HP and has been responsible for business development, global delivery management and people management. Ratanesh has also worked with The Center for Entrepreneurship Development, where he led the implementation of the entrepreneurship and skill development initiatives of the Government of Gujarat.
