Subject: Appreciation letter for your good service.

Dear team Neunetics,

We would like to thank you for your great service for conducting the webinar on "Speech Analytics" dated June 25th, 2022 (Saturday). It was a good experience with your team and we hope to work with you in future as well. The way your speaker Shubham Garg – Research scientist at Amazon US discussed over presentation related to speech analytics is really a matter of appreciation. Also, your team work with a great effort and it's your best quality.

We would like to express our sincere gratitude to you and your team. Thank you for all your cooperation and we look forward to more years of togetherness.

Yours Sincerely,

28/06/22

Prof. Kewar Singh
