

## DIGITAL CERTIFICATE

During IGNOU's 35th convocation, the Education Minister launched the digital degrees developed by CRUBN, an IIT Kanpur C3iHub incubated company, under the National Blockchain Project. In another function held for the Pradhan Mantri Rashtriya Bal Puraskar 2022, Honourable Prime Minister Shri Narendra Modi gave digital certificates to the winners of PMRBP 2021 and 2022 developed by CRUBN.

These digital certificates could be stored on digital wallets installed on the mobile devices of the recipients. The certificates issued using the SSI-enabled blockchain driven technology are unforgeable, globally verifiable, selectively disclosable and sensitive to user content.
